Company Profile

With extreme hard work and transparency VISA TIMES has succeeded in developing its position as one of the leading education consultancies in North India. We, at Visa Times, have a team of passionate and experienced members who are dedicatedly working to realise the dreams of the aspiring candidates.

At Visa Times, we consider it our professional concern to study and examine every case before actually representing the client, further taking care of individuality and client preference. Being experienced experts, our team is always up-to-date with recent developments and updates. Our organization takes immense pride to work closely and meet every need of the clients. In addition to this, we always keep our clients informed with the latest status of their cases. Providing the right study abroad solutions to the students over the years, we have set highest benchmarks in tune with the global competencies. We are representing various colleges and universities worldwide, specially in Schengen Europe.

Rajni Singh

Director :

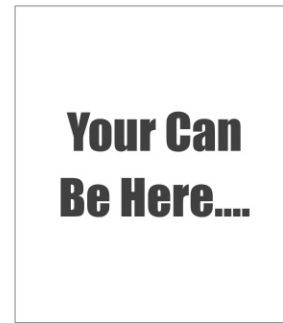

Ms. Rajni Singh is a part of the overseas education industry for the past 7 years and is an active Director at VISA TIMES since the year 2021. With ample experience in the overseas industry, Ms. Rajni Singh has expertise in Student Visa, Visitor and other Visas.

She has guided 100's of students/clients for their further studies and career settlements. She drives the company by planning and implementing policies in the short/long term as well as making decisions for the employees and business clients. Keeping the company ahead of the competition is her core competency. She herself traveled so many destinations specially in Schengen Part of
